2005 Horses

Playland Farm LLC is proud to present the following horses for sale. Our breeding program consists of a cross between the Arabian with the Irish Draft.

Our goal in the Irish cross has been to produce a horse that has the endurance, elegance, and movement of an Arabian; with the bone, the temperament, and athletic nature of an Irish draught in one horse that will exceed the test of any event course, show jumping, or dressage competition. We feel our Irish horses are capable of not only that, but are also excellent all around family and companion horses.
